

Market

MDI: Part of the Art Incrusta collection is this two-seat sofa with a matching chair. Constructed of pear wood embedded with ebony and maple, the seating is offered in black or dark brown leather. **circle 394**

AEM: Pyramid cocktail table has mirror-polished stainless steel base, with adjustable levelers on bottom. Lucite sides support a glass top. As shown, it has a 42-in.-square top and is available in dining and custom sizes. Lists from \$3,500 **circle 408**

Hastings Tile & il Bagno: French designer Phillippe Starck has created this addition to the Washmobil collection. The free-standing fixture incorporates a wash basin, single lever control faucet, and pivoting toothbrush and soap holders. It comes in red, yellow, white, chrome, or matte black. List: \$1,700 **circle 410**

Brueton: Black Widow, a table inspired by the namesake spider, was created by Stanley Jay Friedman. The black frame supports circular tops of 54- 60- or 72-in. diameter in clear or tinted glass, marble or wood. A choice of 125 other base colors is offered. List (54-in. marble top): \$5,301 **circle 417**

Originals 22: Known for its collection of lighting, this company has recently introduced a collection of furniture. Hand-crafted in various metals in a variety of finishes, the furniture may be modified and customized. Halstead, the illustrated dining table, is offered with coordinating chairs. The 36-in. square base is shown with a 48-in. square top and lists for \$1,295 (base only). **circle 418**
